

Dear Parents and Students,

Let me be the first to welcome the Class of 2021 to East High. Each year, in preparation to help ease the students' transition from middle school to high school, we host a Freshman Transition day. Attending Freshman Transition day allows students to walk through a school day by visiting each of their classes, opening their lockers, learning to navigate the building, and getting acclimated to the lunch room. The goals for the day are to allow students to build relationships with some positive role models within our school, put their minds at ease by answering questions that they may have and give them the right start for their first year of high school.
